Stupidity disclaimer: I am aware of, and voluntarily assume the risk of coming to this event. If I am injured, I agree to hold harmless: the San Francisco Hash House Harriers (SFH3), other hashes involved with Bay to Breakers, the hosts for venues, suppliers of products and service, and anyone connected with this event. In other words, I take full responsibility for my own actions, and I will not drag anyone's ass into Court. I still reserve the right to "screw" any willing partner, however. Like any other Hash event, if I get hurt, it's my own damn fault. Let the Stupidity begin!
