**Stupidity disclaimer:** By attending this event, I understand that I will not hold the SFH3 or any other hash organization or its members responsible for my inability to drink to excess and remains standing, or erect, for that matter. If I fall and bonk my head, or if I get sick on myself or my stylish couture, I will neither sue nor whine about it. Furthermore, I understand that any foolish behavior, or any behavior at all, is in the public domain and fair game for down downs at the next regularly scheduled hash. I still reserve the right to "screw" any willing partner, however. Like any other Hash event, if I get hurt, it's my own damn fault.
